ASSET & PROPERTY MANAGEMENT SERVICES

“Active Management” is the cornerstone of Altera Group’s property services. We expertly manage commercial assets from class “A” office, to mixed use, retail and industrial property assets.

With over 20 years of commercial asset management we know how to add value to an asset through astute leasing, expense control, selective refurbishment, highest and best use positioning and add-on development.

At Altera Group we are *passionate* about managing property; professionally and actively.

We are true Asset Managers. We look holistically at your property and your tenants. We are acute at analyzing every aspect. We know how to find where we can improve:

- Rental income and quality of tenants
- Operating expense recoveries
- Reduction in operating expense
- Capital value

Whether you are a property owner or a fund manager, we will optimize financial returns from your property assets while preserving and improving the capital value of the property. We believe in the value of tenant relationships.

Our driving philosophy is to engage in a genuine partnership with our clients, investors and tenants to deliver outstanding returns from real estate investments.

We manage property to Create Value. Our goal is to exceed our client's expectations with service excellence.
